

CVS Specialty® Pharmacy Distribution Drug List

Providing one of the broadest offerings of specialty pharmaceuticals in the industry

The **CVS Specialty Pharmacy Distribution Drug List** is a guide of medications available and distributed through CVS Specialty. Our goal is to help make your life better. With more than 40 years of experience, CVS Specialty provides quality care and service. Our network of pharmacies includes certifications and accreditations from the Joint Commission, Utilization Review Accreditation Commission (URAC), the National Association of Boards of Pharmacy (NABP) and the Accreditation Commission for Health Care (ACHC). These nationally recognized symbols reflect an organization's commitment to meet highest standards of quality, compliance, and safety. This list is updated quarterly. Below brand-name products are in CAPS, and generic products are shown in lowercase italics.
