

Welcome

We make it easy to manage your prescriptions

Learn more about what your plan offers.

After you register, you'll have access to helpful tools and information, including:

Prescription savings options

Explore ways to save on your medications and see what you'll pay ahead of time.

Refills your way

Choose to pick up your prescriptions at a network pharmacy or have them delivered to your home.

Check your prior authorization (PA) approvals

Some medications require prior authorization before they're covered. You can check the status of your request anytime.

Online support anytime

Track prescription costs, explore savings opportunities and find a nearby network pharmacy.

Check the cost of your medication

Compare medication prices and explore lower-cost options using the *Check Drug Cost* tool.

Register or Sign In

Access everything you need, all in one place
